Investigation Representation (IR)

Instructions and Definitions	
Investigation Representation (IR)	IR occurs when a provider advises a client of their rights, gives legal advice or takes legal action on behalf of a client during a CPS investigation prior to court intervention.
Beginning of Investigation Representation	An IR is opened and must be counted when a provider advises a client of their rights, gives legal advice, or takes legal action on behalf of a client who is facing a CPS investigation.
End of Investigation Representation	For ILS reporting purposes, an IR is closed when: <ul style="list-style-type: none"> a) CPS does not file a petition and affirmatively notifies the client or the provider that they will not be pursuing court action at the conclusion of the investigation, OR b) CPS does not file a petition within 60 days of commencing the investigation, OR c) CPS does file a petition. Instructions and Definitions

Full-time equivalent (FTE)

Counting 'staff' in **full-time equivalent** terms is done as follows. One staff-person who works full-time in your program is counted as '1', whereas a staff member who works less than full-time is counted according to the proportion of a full-time position that they work (e.g. a staff person working 50% of full-time is counted as '0.5'). A program with one full-time and one 50% part-time attorney, for example, would therefore have '1.5 full-time equivalent' attorney staff. This same approach should be taken with each category of staff.
