### Performance Measures Progress Report October 2024

**Thank you for completing the October 2024 Performance Measures Progress Report** (Progress Report). Each County's criminal defense providers, (i.e., other than the five counties currently engaged in the *Hurrell-Harring* settlement agreement) and each of the eleven criminal defense providers in New York City are expected to file a completed Progress Report with ILS twice a year (i.e., by October 30th and April 30th of each year). The Progress Report form outlined in this survey is intended to gather information on the use of funding for implementation of the counsel at first appearance, caseload relief, and quality improvement reforms introduced in the *Hurrell-Harring* settlement agreement and subsequently extended to the rest of the state via Executive Law § 832 (4).

When possible, the information provided in the Progress Report should ONLY reflect the use of funding as allocated in the current three-year contract supporting statewide implementation of the *Hurrell-Harring* settlement agreement reforms. The Progress Report is **due for submission by October 30**, **2024.** Subsequent Progress Reports will be due for submission to ILS on a semi-annual basis thereafter.

#### **INSTRUCTIONS**

Please review the following instructions before completing the Progress Report.

#### Review the County's Budget Items Approved in the Three-Year Contract: The

budget items, as outlined in Attachment B-1 of your county's three-year contract (Contract) supporting statewide implementation of the *Hurrell-Harring* settlement agreement should be used as a reference to complete the Progress Report form. Please email ILS at performance@ils.ny.gov if Attachment B-1 is unavailable to you when completing the Progress Report form. See below for a sample of Attachment B-1.

*Print and/or Save the Progress Report form for future reference:* It may be useful to print and/or save the Progress Report form for future reference. The form is attached as a PDF document to the email ILS sent early October, 2024. Alternatively, the Progress Report form may be downloaded from the ILS website at <u>https://www.ils.ny.gov/node/53/annual-data-reporting</u> Any questions and/or concerns on the Progress Report form should be emailed to performance@ils.ny.gov prior to October 30, 2024.

\* 1. Please report the number of attorney positions that are funded as of September 30, 2024 by budget expenditure items listed in the contract (see Attachment B-1). For each attorney position, please provide the <u>type, starting date</u>, indicate if it was a <u>new hire, an upgrade of an existing hire</u> (i.e., an increase in hours), or an attorney position placed <u>on contract</u>, and select if the attorney provides representation at arraignment. Then, enter the <u>total number of cases assigned</u> to the attorney <u>between April 1, 2024 and September 30, 2024.</u>

	INSTRUCTIONS AND DEFINITIONS
General Instructions	As this question tries to get a cumulative overview of attorney positions since the implementation of the statewide reforms, answers to this question should include <u>all</u> attorney positions that were funded through the Contract on the last business day of the reporting period (i.e., September 30, 2024). Answers to this question should not include attorneys who received stipends or were paid as assigned counsel pursuant to NY County Law § 722-b (1). Attorneys receiving funding for mentoring programs, second- chair programs, or litigation support also should not be included where they were not filling a position created by this funding.
Type of Contract	
New Hire	refers to any new attorney position, part- or full-time, that was filled on the last business day of the reporting period (i.e., September 30, 2024), including, but not limited to, ACP attorney-administrators and other ACP attorney staff.
Upgrade of Existing Hire	refers to any attorney position that existed prior to the reporting period, and for which the number of hours worked was increased as of the last business day of the reporting period (i.e., September 30, 2024). For example, an existing attorney whose position changed from part- to full- time would be included in this category. Salary increases that are not accompanied by an increase in the number of hours worked should not be included.
On Contract	refers to any individual attorney who occupies a position through a contract to provide services under this funding, and who was working under that contract on the last business day of the reporting period (i.e., September 30, 2024). It excludes contractors who did not occupy a position, such as those who received stipends, were paid as assigned counsel pursuant to NY County Law § 722-b-1, or who received funding for mentoring programs, second-chair programs, or litigation support.
Re-hire within the same position	If a position was filled by an individual, the individual left, and another individual was hired (i.e., a re-hire within the same position), please count this as one hire and only report the starting date for the first individual.
Number of Cases Total Number of Cases	This should include cases assigned between April 1, 2024 and September 30, 2024. Please include all cases, including cases at which representation was provided just for arraignment. For attorneys whose positions were upgraded (i.e., hours were added to their contract), please estimate the number of additional cases they were assigned as a result of the upgraded position.
